Re: Freedom of Information Act Referral Northwest Environmental Defense
Center, DOD FP 13-021734

Dear Sir or Madam:

This is in reference to a Freedom of Information Act request received by the Portland District, Corps of Engineers from Northwest Environmental Defense Center on May 7, 2013 (see enclosed). During our search for documents one document was seen as being of primary concern to your agency. Therefore, pursuant to 32 CFR 286.4(i)(2), I am referring that document to your agency for response. To the extent that this email includes sections from Corps employees, those portions have either been approved for release or redacted. Please respond to the requester directly regarding this document.

I appreciate your coordination. If you have questions regarding this matter, please call me at (503) 808-4523.

Sincerely,

Janice E. Sorensen
Freedom of Information Act Officer
